

Provide Support

Humane Society Naples can help you provide a dignified farewell and final resting place for your beloved pet's remains, with the comforting knowledge that you are also providing support for countless orphaned pets in the process.

Our Pet Columbarium, located in the Yawney Family Courtyard at our main shelter, provides a permanent place of containment of your pet's remains. Each niche measures 12x12x12 and can contain an appropriate number of urns within the space allotted. The niche is capped with an individually customized plaque memorializing your pet or pets in perpetuity.

We are honored to provide a place to properly memorialize your family's beloved furry companions in perpetuity while serving orphaned pets in need.

Please call 239-438-4624 or email development@hsnaples.org for more information about our Pet Columbarium.

Loss of a Pet

Losing a pet can be a heartbreaking and difficult experience for any family. While the grief of losing a furry family member can seem overwhelming at times, it is important to remember the years of companionship and love that they provided before going to the Rainbow Bridge to await your crossing together.

Niches are available at varying donation levels and all resources benefit the pets awaiting a forever home at our no-kill shelter. The donation required to secure a niche can be fulfilled immediately or with a multi-year (up to five years) pledge of support.

The initial donation includes a perpetual inurnment of your pet(s), one access to the niche and a custom plaque identifying your pet(s). If space permits, you may also include mementos such as a favorite toy, collar or photo within the niche.

Levels

Heavens Level
\$2,500 per niche

Heart Level
\$1,500 per niche

Foundation Level
\$750 per niche

You may also wish to hold a small memorial service for close family and friends. Future modifications to the memorial plaque will be subject to a fee.

Prior to inurnment, cremation services and procurement of an urn can be coordinated through our Humane Society Naples Veterinary Clinic. All remains must be cremated and placed in an appropriate receptacle prior to inurnment.
